Dear Pilgrim,

You are In Częstochowa:

- in the centre of Europe - a place of convergence of the cultures of West and East;
- at the heart of Poland - a country, which always has said "no" to every form of social slavery;
- spiritual capital of Poland - always sustaining the Christian spirit of the Polish nation;
- at our Mother's feet, in Her Shrine of Jasna Góra - one of the biggest Marian shrines in the world;
- pilgrimage centre of world-wide fame /4-5 mln pilgrims yearly/;
- Episcopal seat of the diocese of Częstochowa;
- capital of the Province of Częstochowa;
- historic city with a population of 250.000 - an important industrial centre.

It is this very place which the Holy Father John Paul II chose for the celebration of the Sixth World Day of Youth in August of this year, saying:

"For everybody, for young people from the East and West, from the North and South, the pilgrimage to Częstochowa will be a testimony of faith for the whole world. It will be a pilgrimage of freedom over the borders of states, which are opening wider and wider to Christ, the Redeemer of man"

The division of Częstochowa into 4 zones with the following borders:

Aleja Wolności - ul. T. Kościuszki /and its extension/;

2nd direction: east - west /E-W/ along the line:

Aleja NMP /and its extension/.

The individual zones have different colours as a background for information signs:

2nd zone /NW - north-west/ - blue,

3rd zone /SW - south-west/ - red,

4th zone /SE - south-east/ - green.

These colours will be shown as a background for detailed information concerning the allocation of pilgrims in the above zones.
